A.—Sri K. HANUMANTHAIYA (Chief Minister).—

(*a*) Yes.

(*b*) The Adikarnatakas represented that there were about 60 to 70 families in need of sites and that the area acquired (1-2 guntas) was insufficient and that the land also was on a low level. It was also represented that the khatedar's family had no other land and would be deprived of its means of livelihood if the land was acquired. So orders approving of the acquisition of another extent of 4-12 guntas of land were issued.

ADJOURNMENT MOTION.

Police behaviour towards an assembly of men on 16th October 1955.

Mr. SPEAKER.—Sri B. V. Narayana Reddy has sent an adjournment motion. It is similar to the adjournment motion sent by Sri Mulka Govinda Reddy the other day. Therefore there is no necessity for discussion.....

Sri Mulka GOVINDA REDDY (Chitaldrug).—But there is this difference that heads were broken by the Police.

Mr. SPEAKER.—It is only maintenance of Law. The Hon'ble Member is aware of the procedure and also the reasons for admission.....

Sri Mulka GOVINDA REDDY.—It is not a mere question of maintenance of Law.

Mr. SPEAKER.—Sri B. V. Narayana Reddy has given notice of an adjournment motion as follows :—

"This House do now stand adjourned to discuss a definite matter of urgent public importance and of recent occurrence, to wit, the situation arising out of the merciless and high-handed beatings of the Police on the 8,000 persons who were going in a peaceful procession on the 16th October 1955 to protest against United Karnataka and for preservation of Mysore's political entity."

As I indicated in my ruling yesterday in respect of another adjournment motion, matters relating to ordinary administration of law cannot form the subject of an adjournment motion so as to supersede the appointed order of business. Further, the incident is alleged to have taken place on the 16th October.

Sri B. V. NARAYANA REDDY.—It is November, not October. It is a mistake.

Mr. SPEAKER.—It is stated so in your letter.

Hon'ble Members are aware that such motions should be brought up at the earliest possible opportunity. This Assembly was in session even after the 16th October till the 24th October. It therefore fails in urgency. For these reasons I hold that the motion is out of order.

PAPERS LAID ON THE TABLE.

Postponed Questions and Answers.

Sri T. CHANNIAH (Minister for Public Health and Local Self-Government).—Sir, I beg to lay on the Table of the House replies to two questions of the Budget Session, 1955, which have been treated as postponed questions.

POSTPONED QUESTIONS AND ANSWERS.

Budget Session, 1955.

(*c*) *Vide* Statement enclosed below.

(*d*) *Vide* Statement enclosed below.

(*e*) Provision has been made in the II Five-Year Plan giving wells to all villages which have no wells.
